

What is a FRIEND?

The Friends of Queen Anne's County Library is a non-profit membership organization committed to helping our Library achieve its mission in the county by raising awareness and providing financial support.

Being a Friend of the Library shows your commitment to the Library, its resources, services, and its educational opportunities. It demonstrates to local leaders the Library's importance in our community.

The Friends seek members interested in supporting and improving awareness of library facilities and services. Friends help focus public attention on library resources and help assure that the Library can meet the needs of all the citizens of Queen Anne's County.
